# Application for the Plant Operator's Certificate of Competence

"One of the UK's Leading Professional Bodies Representing Plant Professionals. Operational Safety is Our Business"

## NOTES FOR APPLICANTS AND THEIR EMPLOYERS:

Contractors Mechanical Plant Engineers (CMPE) has consistently recognised that a highly skilled and competent plant operator will perform operational duties and responsibilities efficiently, effectively and safely. In recognition that the general industry needed operators who could formally prove Competence, the association introduced the Certificate of Competence (CoC) in 1983. Since then, the CoC has gone from strength to strength and is widely acknowledged as one of the UK's best certification schemes. Typical features of the programme include: i) economical cost of certification; ii) appropriate safety awareness training at an affordable price; iii) rigorous competence development and monitoring; iv) freely available advice and guidance from experienced plant practitioners; v) the opportunity to acquire professional development.

Please read through these notes carefully and ensure that the following are on, or with, each application

## GENERAL INFORMATION:

- Ensure all the applicant's details and groups of plant items are applied.
- Employer's confirmation of appropriate competence and safety training of the applicant
- A current safety awareness certificate valid for at least two years or equivalent (e.g. CSCS Operatives Health & Safety Test)
- Name, Branch and signature of CMPE member endorsing the application.
- Name and signature of branch registrar.
- 6) A "passport" photograph to accompany the completed application signed (using BLACK ink) and dated on the back by the employer to confirm the exact likeness.
- Proof of training or assessment from an accredited training organisation.

#### PAYMENT DETAILS

- Applicants should enclose a cheque payable to CMPE for £60 or provide Debit/Credit Card details on the application form or call to pay.
- Certificate of Competence must be renewed within five years of the issue date, at a cost of £60. The applicant is strongly advised to record all plant operation activities in their issued logbook during this period.
- The cost of replacing certificates or adding additional plant categories onto an existiting card is £60.

#### OTHER INFORMATION

11) A CMPE logbook is issued with each "new" application. It is a prerequiste requirement that the experience and training required are entered into the logbook, weekly, and countersigned by the employer

### Important Information:

No more than 18 categories per application.

Comments:

Plant & Equipment Categories, Appendix A October 2025

Cat	No	Plant Item Description	Cat	ppe No	Plant Item Description
A	SOURCE OF	Mobile Elevating Work Platforms (MEWPS)	F	NO	Dump Trucks, Dumpers, Dozers
A		Scissor Lift		-	Articulated Dump Truck (state Tonnage)
	1	Telescopic Articulated Boom	$\vdash$	2	Crawler Tractor Dozer
	2	Trailer Mounted	-	3	Tracked Site Dumper
	3	Vertical Personal Platform	-	4	Dozer Above 45 Tonne
	4	Vehicle Mounted Platform	-	5	Dozer Below 45 Tonne
В	5	Rider Operated Material Handlers		6	
В		Rider Operated material naticiers	$\vdash$	-	Dozer Rail only with Railcard  Four-Wheeled Drive Site Dumper up to 12 Tonne all
