CMPE Corporate Membership Application Form Apply to become a member today

CONTRACTORS MECHANICAL PLANT ENGINEERS.
 "One of the UK's leading Professional Bodies Representing Plant Professionals.
 Operational Safety is our Business."

Please post this application to:

WHY BECOME A MEMBER?

RECEIVE MEMBER BENEFITS.

Membership of the association is open to individuals who work with plant and equipment in the construction, civil engineering, quarrying, waste management, plant hire, plant manufacturing and plant services sectors of industry.

BENEFITS INCLUDE:

Freely available and regular information bulletins.
Invitation to practitioner presentations and exhibitions.
Invitation to a wide range of social activities.
Regular nationwide safety awareness events and resources.
Participation in branch and national meetings.

By becoming a member, you can provide evidence that you are continually improving your professional competence by keeping abreast of the very latest industrial initiatives.

RECEIVE CREDIBLE SAFETY AWARENESS TRAINING

The CMPE also offers one of the UK's longest established and most respected plant operator card scheme entitled Certificate of Competence (CoC) for every CoC card holder, credible safety awareness training through most of our branches at an affordable price. A CoC card holder must always have proof of current safety awareness training and this must be updated every five years regardless of the life of the CoC. We only use training providers who are both occupationally experienced and competent at plant operation and management.

For more details, please visit our official website: www.cmpe.co.uk

ACCESS ONLINE INFORMATION AND GUIDANCE.

Technology has progressed at a staggering rate and today we live in an age of computer science and information management. To keep abreast of this technological revolution and the information super highway, CMPE has an interactive website: www.cmpe.co.uk
You can also find us on Facebook and Instagram. @cmpe national.

DEBATE CURRENT ISSUES FACING THE OFF-HIGHWAY PLANT INDUSTRY.

Being part of the CMPE means you have a voice in matters concerning the plant and equipment industry. For example, legislation, training, machine design and so forth. The association regularly holds open discussion meetings during which members can freely debate topical issues with a broad range of practitioners, including representatives from leading plant manufacturers, scholars, plant managers, mechanical engineers and operators. CMPE members guide the direction of the association, and the process of decision making is transparent.

Your opinions and views are important to this association. Should you require any further information, assistance, or would like to make any comments, then please include these below.

Please indicate which branch you would like to join:

- Glasgow
- Preston & Fylde
- Staffs & Midlands
- Mid- Shires
- Wessex
